**Notice :**

1. The institutes of overseas training and course credits are limited to those enlisted and recognized by the Ministry of Education.
  2. Overseas training courses, credits and scores shall be recorded in academic transcript and calculated in the graduation final grade point average. Courses with credits below TMU required courses are not considered and included in graduation credits, and will be recognized as elective courses.
  3. One credit obtained during overseas training is equivalent to 18 hours of participation; 36 to 54 hours of participation in an experiment and internship are recognized as one credit.
- \* The Chinese version of this document shall prevail in case of any discrepancy or inconsistency between Chinese version and its English translation.
